In order to appoint another person as proxy, a Registered Shareholder must complete, execute and deliver the form of proxy accompanying this Circular, or another proper form of proxy, in the manner specified in the Notice.

The purpose of a form of proxy is to designate persons who will vote on the shareholder's behalf in accordance with the instructions given by the shareholder in the form of proxy. A Registered Shareholder attending the Meeting has the right to vote in person and, if he or she does so, his or her form of proxy is nullified with respect to the matters such person votes upon at the Meeting and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

A Registered Shareholder who has given a form of proxy may revoke the form of proxy at any time prior to using it: (a) by depositing an instrument in writing, including another completed form of proxy, executed by such Registered Shareholder or by his or her attorney authorized in writing or, if the Registered Shareholder is a corporation, by an authorized officer or attorney thereof, to (i) the registered office of the Company, located at 217 Queen Street West, Suite 401, Toronto, Ontario M5V 0R2, at any time prior to 5:00 p.m. (Eastern time) on the last business day preceding the day of the Meeting or any adjournment thereof or (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or (b) in any other manner permitted by law.

### **EXERCISE OF DISCRETION BY PROXIES**

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the Registered Shareholder on any ballot that may be called for and, if a Registered Shareholder specifies a choice with respect to any matter to be acted upon at the meeting, the Common Shares represented by the proxy shall be voted accordingly. Where no choice is specified, the proxy will confer discretionary authority and will be voted for the election of directors, for the appointment of auditors and the authorization of the directors to fix their remuneration and for each item of special business, as stated elsewhere in this Circular.

The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice and with respect to other matters which may properly come before the Meeting in such manner as such nominee in his judgment may determine. At the time of printing this Circular, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

### **ADVICE TO NON-REGISTERED SHAREHOLDERS**

**The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders of the Company do not hold Common Shares in their own name.** Only Registered Shareholders or the persons they appoint as their proxies are permitted to attend and vote at the Meeting and only forms of proxy deposited by Registered Shareholders will be recognized and acted upon at the Meeting. Common Shares beneficially owned by Non-Registered Holders are registered either: (i) in the name of an intermediary (an "**Intermediary**") with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) (a "**Clearing Agency**") of which the Intermediary is a participant. Accordingly, such Intermediaries and Clearing Agencies would be the Registered Shareholders and would appear as such on the list maintained by the Transfer Agent. Non-Registered Holders do not appear on the list of Registered Shareholders maintained by the Transfer Agent.

#### ***Distribution of Meeting Materials to Non-Registered Holders***

In accordance with the requirements of NI 54-101, the Company has distributed copies of the Meeting Materials to the Clearing Agencies and Intermediaries for onward distribution to Non-Registered Holders as well as directly to NOBOs (as defined below).

Non-Registered Holders fall into two categories – those who object to their identity being known to the issuers of securities which they own ("**OBOs**") and those who do not object to their identity being made known to the issuers of the securities which they own ("**NOBOs**"). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials to such NOBOs. If you are a NOBO and the Company or its agent has sent the Meeting Materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the Common Shares on your behalf.

The Company's OBOs can expect to be contacted by their Intermediary. The Company does not intend to pay for Intermediaries to deliver the Meeting Materials to OBOs and it is the responsibility of such Intermediaries to ensure delivery of the Meeting Materials to their OBOs.

### ***Voting by Non-Registered Holders***

The Common Shares held by Non-Registered Holders can only be voted or withheld from voting at the direction of the Non-Registered Holder. Without specific instructions, Intermediaries or Clearing Agencies are prohibited from voting Common Shares on behalf of Non-Registered Holders. Therefore, each Non-Registered Holder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

The various Intermediaries have their own mailing procedures and provide their own return instructions to Non-Registered Holders, which should be carefully followed by Non-Registered Holders in order to ensure that their Common Shares are voted at the Meeting.

Non-Registered Holders will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

*Voting Instruction Form.* In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form (a "VIF"). If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the VIF must be completed, signed and returned in accordance with the directions on the form.

or,

*Form of Proxy.* Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the Non-Registered Holder must complete and sign the form of proxy and in accordance with the directions on the form.

### ***Voting by Non-Registered Holders at the Meeting***

Although a Non-Registered Holder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of an Intermediary or a Clearing Agency, a Non-Registered Holder may attend the Meeting as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder and vote such Common Shares as a proxyholder. A Non-Registered Holder who wishes to attend the Meeting and to vote their Common Shares as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder, should (a) if they received a VIF, follow the directions indicated on the VIF; or (b) if they received a form of proxy strike out the names of the persons named in the form of proxy and insert the Non-Registered Holder's or its nominee's name in the blank space provided. Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those instructions regarding when and where the VIF or the form of proxy is to be delivered.

All references to shareholders in the Meeting Materials are to Registered Shareholders as set forth on the list of registered shareholders of the Company as maintained by the Transfer Agent unless specifically stated otherwise.

For the purposes of calculating the maximum number of Common Shares reserved for issuance under the LTIP, any issuance from treasury by the Company that is issued in reliance upon an exemption under applicable stock exchange rules applicable to equity-based compensation arrangements used as an inducement to person(s) or company(ies) not previously employed by and not previously an insider of the Company shall not be included. All of the Common Shares covered by the cancelled or terminated Awards will automatically become available Common Shares for the purposes of Awards that may be subsequently granted under the LTIP.

The principal features of the LTIP are described in more detail below in the section entitled "*Statement of Executive Compensation – Stock Option Plan and other Incentive Plans*".

The LTIP is a "rolling" and "fixed" equity compensation plan and, under Policy 4.4 of the TSX Venture Exchange ("**TSXV**"), a listed company on the TSXV is required to obtain the approval of its shareholders for a "rolling" and "fixed" equity compensation plan at each annual meeting of shareholders. Accordingly, shareholders will be asked to approve the following resolution:

**"BE IT RESOLVED THAT:**

1. the omnibus long-term incentive plan of the Company as described in the management information circular dated April 22, 2026, be and it is hereby approved, confirmed and ratified."

In accordance with the policies of the TSXV, the LTIP must be approved by the majority of votes cast at the Meeting on the resolution.

**PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL AND CONFIRMATION OF THE LTIP UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER COMMON SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION.**

**STATEMENT OF EXECUTIVE COMPENSATION**

## Stock Options and Other Compensation Securities

The Company did not grant or issue any compensation securities to any Named Executive Officer and to any director of the Company during the most recently completed financial year of the Company for services provided or to be provided, directly or indirectly, to the Company or any of its subsidiaries.

There were no compensation securities exercised by any Named Executive Officers and directors of the Company during the most recently completed financial year of the Company.

## Stock Option Plan and other Incentive Plans

The Company adopted the LTIP to allow for a variety of equity-based awards that provide different types of incentives to be granted to certain executive officers, employees and consultants (in the case of Options), PSUs and RSUs. Each Award will represent the right to receive Common Shares, or in the case of PSUs and RSUs, Common Shares or cash, in accordance with the terms of the LTIP. The LTIP was last approved by the shareholders at the annual general and special meeting of shareholders held on June 20, 2024.

Under the terms of the LTIP, the Board, or if authorized by the Board, the Compensation Committee, may grant Awards to eligible participants, as applicable. Participation in the LTIP is voluntary and, if an eligible participant agrees to participate, the grant of Awards will be evidenced by a grant agreement with each such participant. The interest of any participant in any Award is not assignable or transferable, whether voluntary, involuntary, by operation of law or otherwise, other than by will or the laws of descent and distribution.

The LTIP will provide those appropriate adjustments, if any, will be made by the Board in connection with a reclassification, reorganization or other change of the Company's Common Shares, share split or consolidation, distribution, merger or amalgamation, in the Common Shares issuable or amounts payable to preclude a dilution or enlargement of the benefits under the LTIP.

The maximum number of Common Shares reserved for issuance pursuant to the exercise of Options in the aggregate, under the Option portion of the LTIP will be 10% of the aggregate number of Common Shares issued and outstanding from time to time, which represents 9,079,948 Common Shares as of the date of this Management Information Circular. As of the date of this Management Information Circular, a total of 6,087,500 Options are issued and outstanding under the LTIP representing approximately 6.7% of the issued and outstanding Common Shares. In addition, the aggregate number of Stock options, PSUs and RSUs issuable to all Participants must not exceed 10%.

For the purposes of calculating the maximum number of Common Shares reserved for issuance under the LTIP, any issuance from treasury by the Company that is issued in reliance upon an exemption under applicable stock exchange rules applicable to equity-based compensation arrangements used as an inducement to person(s) or company(ies) not previously employed by and not previously an insider of the Company shall not be included. All of the Common Shares covered by the cancelled or terminated Awards will automatically become available Common Shares for the purposes of Awards that may be subsequently granted under the LTIP.

The maximum number of Common Shares that may be: (i) issued to insiders of the Company within any one-year period; or (ii) issuable to insiders of the Company at any time, in each case, under the LTIP alone, or when combined with all of the Company's other security-based compensation arrangements, cannot exceed 10% of the aggregate number of Common Shares issued and outstanding from time to time determined on a non-diluted basis.

An Option shall be exercisable during a period established by the Board which shall commence on the date of the grant and shall terminate no later than ten years after the date of the granting of the Option or such shorter period as the Board may determine. As long as the Common Shares are traded on the TSXV, the minimum exercise price of an Option will be determined based on the closing price of the Common Shares on the TSXV on the last trading day before the date such Option is granted. The LTIP provides that the exercise period shall automatically be extended if the date on which it is scheduled to terminate shall fall during a black-out period. In such cases, the extended exercise period shall terminate 10 business days after the last day of the black-out period. In order to facilitate the payment of the exercise price of the Options, the LTIP has a cashless exercise feature pursuant to which a participant may elect to undertake either a broker-assisted "cashless exercise" or a "net exercise" subject to the procedures set out in the LTIP, including the consent of the Board, where required.

The following table describes the impact of certain events upon the rights of holders of Options under the LTIP, including termination for cause, resignation, retirement, termination other than for cause, and death or long-term

disability, subject to the terms of a participant's employment agreement, grant agreement and the change of control provisions described below:

<b>Event Provisions</b>	<b>Provisions</b>
<b>Termination for cause</b>	Immediate forfeiture of all vested and unvested Awards.
<b>Resignation</b>	The earlier of the original expiry date and 90 days after resignation to exercise vested Awards or such longer period as the Board may determine in its sole discretion.
<b>Retirement</b>	All unvested Awards will vest in accordance with their vesting schedules, and all vested Awards held may be exercised until the earlier of the expiry date of such Awards or one (1) year following the retirement date.
<b>Termination or cessation</b>	All unvested Awards may vest subject to pro ration over the applicable vesting or performance period and shall expire on the earliest of ninety (90) days after the effective date of the termination date, or the expiry date of such Awards.
<b>Death</b>	All unvested Awards will immediately vest and expire 180 days after the date of death.
<b>Change of Control</b>	If a participant is terminated without "cause" or resigns for good reason during the 12-month period following a Change of Control, or after the Company has signed a written agreement to effect a change of control but before the change of control is completed, then any unvested Awards will immediately vest and may be exercised prior to the earlier of thirty (30) days of such date or the expiry date of such Awards.

The terms and conditions of grants of RSUs and PSUs, including the quantity, type of award, grant date, vesting conditions, vesting periods, settlement date and other terms and conditions with respect to these Awards, will be set out in the participant's grant agreement. The impact of certain events upon the rights of holders of these types of Awards, including termination for cause, resignation, retirement, termination other than for cause and death or long-term disability, will be set out in the participant's grant agreement.

In connection with a change of control of the Company, the Board will take such steps as are reasonably necessary or desirable to cause the conversion, exchange or replacement of outstanding Awards into, or for, rights or other securities of substantially equivalent (or greater) value in the continuing entity, as applicable. If the surviving successor or acquiring entity does not assume the outstanding Awards, or if the Board otherwise determines in its discretion, the Company shall give written notice to all participants advising that the LTIP shall be terminated effective immediately prior to the change of control and all Awards, as applicable, shall be deemed to be vested and, unless otherwise exercised, settled, forfeited or cancelled prior to the termination of the LTIP, shall expire or, with respect to the RSUs and PSUs be settled, immediately prior to the termination of the LTIP. In the event of a change of control, the Board has the power to: (i) make such other changes to the terms of the Awards as it considers fair and appropriate in the circumstances, provided such changes are not adverse to the participants; (ii) otherwise modify the terms of the Awards to assist the participants to tender into a takeover bid or other arrangement leading to a change of control, and thereafter; and (iii) terminate, conditionally or otherwise, the Awards not exercised or settled, as applicable, following successful completion of such change of control.

If the change of control is not completed within the time specified therein (as the same may be extended), the Awards which vest shall be returned by the Company to the participant and, if exercised or settled, as applicable, the Common

Shares issued on such exercise or settlement shall be reinstated as authorized but unissued Common Shares and the original terms applicable to such Awards shall be reinstated.

The Board may, in its sole discretion, suspend or terminate the LTIP at any time, or from time to time, amend, revise or discontinue the terms and conditions of the LTIP or of any securities granted under the LTIP and any grant agreement relating thereto, subject to any required regulatory and TSXV approval, provided that such suspension, termination, amendment, or revision will not adversely alter or impair any Award previously granted except as permitted by the terms of the LTIP or as required by applicable laws.

The Board may amend the LTIP or any securities granted under the LTIP at any time without the consent of a participant provided that such amendment shall: (i) not adversely alter or impair any Award previously granted except as permitted by the terms of the LTIP; (ii) be in compliance with applicable laws and subject to any regulatory approvals including, where required, the approval of the TSXV; and (iii) be subject to shareholder approval, where required by law, the requirements of the TSXV or the LTIP, provided however that shareholder approval shall not be required for the following amendments and the Board may make any changes which may include but are not limited to:

- amendments of a general "housekeeping" or clerical nature that, among others, clarify, correct or rectify any ambiguity, defective provision, error or omission in the LTIP;
- changes that alter, extend or accelerate the terms of vesting or settlement applicable to any Award (other than in respect of any Options held by persons retained to provide Investor Relations Activities for which prior approval of the TSXV shall be required at all times when the Company is listed on the TSXV);
- any amendment regarding the administration of the LTIP;
- any amendment necessary to comply with applicable law or the requirements of the TSXV or any other regulatory body having authority over the Company, the LTIP or the shareholders of the Company (provided, however, that the TSXV shall have the overriding right in such circumstances to require shareholder of any such amendments); and
- any other amendment that does not require shareholder approval under the LTIP.

The foregoing information is intended to be a brief description of the LTIP and is qualified in its entirety by the full text of the LTIP. The Company has no equity compensation plans other than the LTIP.

### **Oversight and Description of Director and Named Executive Officer Compensation**

#### ***Compensation of Directors***

The Board, at the recommendation of the Compensation Committee, determines the compensation payable to the directors of the Company and reviews such compensation periodically throughout the year. For their role as directors of the Company, each director of the Company who is not a Named Executive Officer may, from time to time, be awarded Awards under the LTIP. There are no other arrangements under which the directors of the Company who are not Named Executive Officers were compensated by the Company or its subsidiaries during the most recently completed financial year end for their services in their capacity as directors of the Company.

The Company compensates its independent directors for pre-approved corporate activities as per diem of \$1,000 and reimburses its directors for any documented reasonable expenses or incidentals related to the performance of corporate activities. Other than as set out herein, there are no other arrangements pursuant to which directors were compensated by the Company or its subsidiaries. During the most recently completed financial year, no compensation was paid by the Company or its subsidiaries to the Company's independent directors.

## *Compensation of Named Executive Officers*

### Principles of Executive Compensation

The Company believes in linking an individual's compensation to his or her performance and contribution as well as to the performance of the Company as a whole. The primary components of the Company's executive compensation are base salary and stock option or share-based awards. The Board believes that the mix between base salary and incentives must be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances. The overall goal is to successfully link compensation to the interests of the Shareholders. The following principles form the basis of the Company's executive compensation program:

1. align interest of executives and Shareholders;
2. attract and motivate executives who are instrumental to the success of the Company and the enhancement of shareholder value;
3. pay for performance;
4. ensure compensation methods have the effect of retaining those executives whose performance has enhanced the Company's long-term value; and
5. connect, if possible, the Company's employees into principles 1 through 4 above.

The Board approves, or recommends for approval, all compensation to be awarded to the directors of the Company and the Named Executive Officers. The Board also has the responsibility to make recommendations concerning annual bonuses and grants to eligible persons under the LTIP. The Board may direct the Compensation Committee and management to gather information on its behalf and provide initial analysis and commentary. The Board reviews this material along with other information received from any external advisors which may be retained in its deliberations before considering or making decisions. The Board has full discretion to adopt or alter management Compensation Committee recommendations. The Board also reviews and approves the hiring of executive officers.

The engagement of Mr. Patrick Quigley as exploration manager and QPG's services, and the determination of the fees payable to QPG, are reviewed and approved by management of the Company in consideration of Mr. Quigley's qualifications, expertise and experience which are instrumental for the development of the Company's business. Mr. Quigley's engagement, his base fees, incentives, performance and long-term compensation are reviewed and assessed directly by management of the Company on an ongoing basis in line with the principles and guidelines described in this section and the sections below.

### Base Fees

The Board approves the base fee ranges for the Named Executive Officers. The review of the base fee component of each Named Executive Officer's compensation is based on an assessment of factors such as the executive's experience and expertise, performance, a consideration of competitive compensation levels in companies similar to the Company and a review of the performance of the Company as a whole and the role such executive played in such corporate performance. As of the date of this Circular, the Board had not, collectively, considered the implications of any risks associated with policies and practices regarding the compensation of its directors or executive officers.

### Annual Incentives

The Named Executive Officers have an opportunity to earn annual incentive compensation payable as a cash bonus. The annual incentive compensation is intended to link pay to annual performance that will drive shareholder value so the Company may, in its discretion, award such incentives in the future in order to motivate executives to achieve short-term corporate goals. The Compensation Committee approves annual incentives.

The success of Named Executive Officers in achieving their individual objectives and their contribution to the Company in reaching its overall goals are factors in the determination of their annual bonus. The Board assesses each

Named Executive Officer's performance on the basis of his or her respective position and contribution to the achievement of the predetermined corporate objectives, as well as to needs of the Company that arise on a day-to-day basis. Annual incentive compensation is tied to corporate and individual performance. This assessment is used by the Board in developing its recommendations with respect to the determination of annual bonuses for the Named Executive Officers.

#### Compensation and Measurements of Performance

It is the intention of the Board to approve targeted amounts of bonuses or other incentives for each Named Executive Officer during each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day-to-day corporate activities, will trigger the award of a bonus or other incentive to the Named Executive Officers. The Named Executive Officers will receive a partial or full bonus payment or other incentive payment depending on the number of the predetermined targets met and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus or other incentive payment if they consider them to be appropriate.

#### Long Term Compensation

The Company currently has no long-term incentive plans, other than the LTIP.

#### **Pension Disclosure**

There are no pension or retirement plans in place for the Named Executive Officers or the directors of the Company.

#### **Termination and Change of Control Benefits**

The Company has not provided compensation, monetary or otherwise, during the preceding fiscal year, to any person who now acts or has previously acted as a Named Executive Officer or director of the Company in connection with or related to the retirement, termination or resignation of such person. The Company has not provided any compensation to such persons as a result of a change of control of the Company, its subsidiaries or affiliates. Except as set forth above in the section entitled "*Statement of Executive Compensation – Employment, Consulting and Management Agreements*", the Company is not a party to any compensation plan or arrangement with Named Executive Officers or directors of the Company resulting from the resignation, retirement or the termination of employment of such person.

#### **Audit Committee Oversight**

Since the commencement of the Company’s most recently completed financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

#### **Reliance on Exemptions in NI 52-110**

Since the commencement of the Company’s most recently completed financial year, the Company has not relied on:

1. the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Company’s auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor’s annual fees charged to the Company, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year’s audit);
2. the exemption in subsection 6.1.1(4) (*Circumstance Affecting the Business or Operations of the Venture Issuer*) of NI 52-110 (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company if a circumstance arises that affects the business or operations of the Company and a reasonable person would conclude that the circumstance can be best addressed by a member of the Audit Committee becoming an executive officer or employee of the Company);
3. the exemption in subsection 6.1.1(5) (*Events Outside Control of Member*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company if an Audit Committee member becomes a control person of the Company or of an affiliate of the Company for reasons outside the member’s reasonable control);

4. the exemption in subsection 6.1.1(6) (*Death, Incapacity or Resignation*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company if a vacancy on the Audit Committee arises as a result of the death, incapacity or resignation of an Audit Committee member and the Board was required to fill the vacancy); or
5. an exemption from the requirements of NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (Exemptions) of NI 52-110.

The Company is a "venture issuer" for the purposes of NI 52-110. Accordingly, the Company is relying upon the exemption in section 6.1 of NI 52-110 providing that the Company is exempt from the application of Part 3 (*Composition of the Audit Committee*) and Part 5 (*Reporting Obligations*) of NI 52-110.

### Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter.

- (4) Aggregate fees billed for professional services which included accounting advice and association fees.

## REPORT ON CORPORATE GOVERNANCE

The Company believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (collectively the "**Governance Guidelines**") of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. The Company will continue to review and implement corporate governance guidelines as the business of the Company progresses and becomes more active in operations.

The following disclosure is required by the Governance Guidelines and describes the Company's approach to governance and outlines the various procedures, policies and practices that the Company and the Board have implemented.

In order to assist the Board in the exercise of its duties and responsibilities, the Company has implemented a Corporate Governance Policies and Procedures Manual (the "**Corporate Governance Manual**") which is attached hereto as Appendix "B".

## Board of Directors

The Board is currently composed of three directors. Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)* ("**Form 58-101F2**") requires disclosure regarding how the Board facilitates its exercise of independent supervision over management of the Company by providing the identity of directors who are independent and the identity of directors who are not independent and the basis for that determination. NI 52-110 provides that a director is independent if he or she has no direct or indirect "material relationship" with the company.

"Material relationship" is defined as a relationship that could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. In addition, under NI 52-110, an individual who is, or has been within the last three years, an employee or executive officer of an issuer, is deemed to have a "material relationship" with the issuer. Accordingly, Mr. Thomas Layton Croft, the President and Chief Executive Officer of the Company is considered not to be "independent". The remaining four (4) proposed directors are considered by the Board to be "independent" within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the Board has examined the circumstances of each director in relation to a number of factors.

## Directorships

The following table sets forth the directors and proposed directors of the Company who currently hold directorships with other reporting issuers:

Name of Director	Reporting Issuer
Thomas Layton Croft	Erdene Resource Development Corporation
Brahm Spilfogel	Premier American Uranium Inc.
Laurence (Laurie) Curtis	Excellon Resources Inc.

## Orientation and Continuing Education

The Corporate Governance Manual provides that the Board and the Company's senior management will conduct orientation programs for new directors. The orientation programs will include presentations by management to familiarize new directors with the Company's projects, strategic plans, its significant financial, accounting and risk management issues, its compliance programs, its code of business conduct and ethics, its principal officers, its internal and independent auditors and its outside legal advisors. In addition, the orientation program will include a review of the Company's expectations of its directors in terms of time and effort, a review of the directors' fiduciary duties and visits to Company headquarters and, to the extent practical, certain of the Company's significant facilities.

To enable each director to better perform his or her duties and to recognize and deal appropriately with issues that arise, the Company will provide the directors with suggestions to undertake continuing director education, the cost of which will be borne by the Company.

## Ethical Business Conduct

A director, in the exercise of his or her functions and responsibilities, must act with complete honesty and good faith in the best interest of the Company. He or she must also act in accordance with the applicable laws, regulations and policies. The Board has not yet adopted guidelines or attempted to quantify or stipulate steps to encourage and promote a culture of ethical business conduct but did promote ethical business conduct designed to promote integrity and to deter wrongdoing through the nomination of Board members it considered ethical, through avoiding or minimizing conflicts of interest, and by having a majority of the Board members independent of corporate matters.

## Nomination of Directors

The Board has established a nominating and corporate governance committee (the "**Nominating and Corporate Governance Committee**"). Following the Meeting, the Nominating and Corporate Governance Committee will be comprised of the following three independent directors, Brahm Spilfogel, Don MacLean and William Webster IV .

The Board has adopted a written charter setting forth the composition, purpose, authority and responsibility of the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee will consist of at least two independent directors.

The Nominating and Corporate Governance Committee's purpose is to (i) identify individuals qualified to be nominated as members of the Board, (ii) recommend director nominees for each annual meeting of the Shareholders and director nominees to fill any vacancies that may occur between meetings of Shareholders, (iii) be aware of the best practices in corporate governance and develop and recommend to the Board a set of corporate governance standards to govern the Board, its committees, the Company and its employees in the conduct of the business and affairs of the Company, (iv) consider the diversity of the Board, including the level of representation of women and other designated groups, and (v) develop and oversee the annual Board and Board committee evaluation process.

The Nominating and Corporate Governance Committee is responsible for, among other things:

- making recommendations to the Board regarding the size and composition of the Board,
- considering and recruiting candidates for director nominees based upon recommendations from current outside directors, members of management, outside consultants or search firms, and/or Shareholders taking into consideration, among others, (i) the appropriate size and composition of the Board, (ii) the competencies and skills that the Board considers to be necessary for the Board as a whole to possess, (iii) the personal and professional integrity of the candidate, (iv) the level of education and/or business experience; and (v) the level of understanding of the Company's business and the industry in which it operates other industries relevant to the Company's business,
- reviewing at least annually, the Company's corporate governance guidelines and recommend changes to the Board as deemed necessary,
- providing director orientation and continuing education, and
- reviewing the structure and composition of the committees of the Board.

### **Conflict of Interest**

Under applicable corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and to disclose to the Board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the corporation. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the Shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

### **Compensation**

The Board has adopted a written charter setting forth the composition, purpose, authority and responsibility of the Compensation Committee. The Board has established a compensation committee (the "**Compensation Committee**") consisting of three independent directors, Laurence Curtis (Chair), David Petroff and Gordon Babcock. Following the

Meeting, the Compensation Committee will be comprised of the following independent directors, Don MacLean, Thomas Layton Croft and Laurence (Laurie) Curtis.

The Compensation Committee's purpose is to carry out the responsibilities delegated by the Board relating to the review and determination of executive compensation of the Company. The Compensation Committee will consist of at least two independent directors appointed by the Board.

The Compensation Committee has the following duties and responsibilities:

- Review and approve annually the corporate goals and objectives applicable to the compensation of the Chief Executive Officer.
- Evaluate, at least annually, the Chief Executive Officer's performance in light of the goals and objectives set for the Chief Executive Officer.
- Determine and make recommendations to the Board with respect to the Chief Executive Officer's compensation level (both cash and equity-based). In determining the long-term incentive component of the Chief Executive Officer's compensation, the Compensation Committee may consider the Company's performance, Shareholder returns, the value of similar incentive awards given to Chief Executive Officers at comparable companies and the awards given to the Company's Chief Executive Officer in past years.
- Make recommendations to the Board regarding the compensation of non-Chief Executive Officer senior executive officers and the directors.
- Review and make recommendations to the Board regarding incentive compensation plans and equity-based plans, and where appropriate or required, recommend for approval by the Shareholders.
- Review and discuss with management the Company's executive compensation disclosure to be included in the Company's management information circular and any other disclosure with respect to executive compensation to be included in any other public disclosure documents of the Company.
- Review and make recommendations to the Board regarding any employment agreements and any severance arrangements or plans, including any benefits to be provided in connection with a change in control, for the Chief Executive Officer and other executive officers.
- Report to the Board on the activities of the Compensation Committee, including any decisions and action taken by the Compensation Committee.
- Perform any other activities as are consistent with the compensation Committee charter, the Company's articles, applicable legislation, guidelines and practices as the Compensation Committee or the Board deems necessary or appropriate for the fulfilment of the Compensation Committee's duties and responsibilities.

### **Assessments**

Currently the Board has not implemented a formal process for assessing directors. Given its early stage of development, it is expected that following the completion of the Arrangement, the Board will not initially take any formal steps to assess the performance of the Board or its committees. It is expected that the Board will conduct informal annual assessments of the Board's effectiveness, the individual directors and each of its committees. The Board will monitor the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its committees. All directors and/or committee members will be free to make suggestions for improvement of the practice of the Board and/or its committees at any time and will be encouraged to do so.

## **Other Board Committees**

In addition to the standing committees of the Board, independent committees will be appointed from time to time, when appropriate.

## **Diversity of the Board and Senior Management**

As a federal distributing corporation, incorporated under the *Canada Business Corporations Act*, the Company is required to disclose information annually to its shareholders and Corporations Canada on the diversity of its Board and senior management on the representation of women, Indigenous peoples (First Nations, Inuit and Metis), persons with disabilities, members of visible minorities or otherwise self-represent as being within designated groups (as that term is defined in the *Employment Equity Act* (Canada) (the "**Designated Groups**"). The information below is provided as of April 22, 2026.

### ***Diversity of the Board and Senior Management***

The Company has not adopted a formal written policy regarding the diversity of the Board or senior management. The Company does not believe a formal policy would increase the representation of Designated Groups beyond how the Company currently nominates and appoints individuals to the Board and senior management. The Company considers all qualified individuals for each position that may arise.

While the Company believes that nominations to the Board and appointments to senior management should be based on merit, the Company recognizes that diversity supports balanced debate and discussion which, in turn, enhances decision-making and the level of representation of members of the Designated Groups is one factor taken into consideration during the search process for directors and members of the senior management.

In assessing potential directors and members of the senior management, the Company focuses on the skills, expertise, experience and independence that the Company requires to be effective. Due to the small size of the Board and the management team, and the stage of development of the Company's business, the Board believes that the qualifications and experience of proposed new directors and members of senior management should remain the primary consideration in the selection process. The Company will include diversity (including the level of representation of members of Designated Groups) as a factor in its future decision-making when identifying and nominating candidates for election or re-election to the Board and for senior management positions.

### ***Director Term Limits and Other Mechanisms of Board Renewal***

The Company has not adopted term restrictions for directors or other mechanisms of Board renewal that would limit the time an individual could serve on the Board. Imposing a term limit would require the Company to remove an individual that has acquired an extensive knowledge and understanding of the operations of the Company. Accordingly, the Company believes that removing an individual solely on length of service would not benefit the shareholders of the Company. Each member of the Board is put forth for election or re-election to shareholders annually.

### ***Quotas or Targets for Representation of Designated Groups on the Board and among Senior Management***

The Company has not established quotas or targets for representation of individuals from the Designated Groups to the Board or senior management. The Company believes that focusing on a quota or target rather than on skills and experience would limit the Company's ability to provide shareholders with a Board or senior management that meets the qualifications and needs of the Company and its shareholders.

### ***Representation of Designated Groups among Board and Senior Management***

As of the date hereof, there are no members of a Designated Group that hold a position on the Board or among senior management.

## OTHER MATTERS

The management of the Company knows of no other matters to come before the Meeting other than as set forth in the Notice of Meeting. **However, if other matters that are not known to management should properly come before the Meeting, the accompanying form of proxy will be voted on such matters in accordance with the best judgment of the person or persons voting the proxy.**

## CORPORATE GOVERNANCE OVERVIEW AND GUIDELINES

### 1. Introduction

The Board of Directors of Carolina Rush Corporation (the "**Company**") has adopted these Corporate Governance Guidelines to assist the Board in the exercise of its duties and responsibilities. The Guidelines are to be applied in a manner consistent with applicable laws and the Company's incorporating documents. The Board may modify or make exceptions to the Guidelines from time to time in its discretion and consistent with the duties and responsibilities owed to the Company and its shareholders.

### 2. Director Responsibilities

(a) **Oversee Management of the Company.** The principal responsibilities of the directors are to oversee the management of the Company and, in so doing, serve the best interests of the Company on behalf of its shareholders. These responsibilities require that the directors attend to the following:

- review and approve on a regular basis, and as the need arises, fundamental operating, financial, and other strategic corporate plans which take into account, among other things, the opportunities and risks of the business;
- evaluate the performance of the Company, including the appropriate use of corporate resources;
- evaluate the performance of, and oversee the progress and development of, senior management and take appropriate action, such as promotion, change in responsibility and termination;
- implement senior management succession plans;
- evaluate the Company's compensation programs;
- establish a corporate environment that promotes timely and effective disclosure (including appropriate controls, procedures and incentives), fiscal accountability, high ethical standards and compliance with applicable laws and industry and community standards;
- evaluate the Company's systems to identify and manage the risks faced by the Company;
- review and decide upon material transactions and commitments;

(b) **Exercise Business Judgment.** In discharging their fiduciary duties of care, loyalty and candor, directors are expected to exercise their business judgment to act in what they reasonably and honestly believe to be the best interests of the Company and its shareholders free from personal interests. In discharging their duties, when appropriate, the directors normally are entitled to rely on the Company's senior executives and its outside advisors, auditors and legal counsel but also should consider second opinions where circumstances warrant.

(c) **Understand the Company and its Business.** Directors are expected to become and remain informed about the Company and its business, properties, risks and prospects.

(d) **Establish Effective Systems.** Directors are responsible for determining that effective systems are in place for the periodic and timely reporting to the Board on important matters concerning the Company. Directors should also provide for periodic reviews of the integrity of the Company's internal controls and management information systems.

(e) **Protect Confidentiality and Proprietary Information.** Directors are responsible for establishing policies that are intended to protect the Company's confidential and proprietary information from unauthorized or inappropriate disclosure. Likewise, all discussions and proceedings of the Board of Directors must be treated as strictly confidential and privileged to preserve open discussions between directors and to protect the confidentiality of Board discussions.

(g) **Indemnification.** The directors are entitled to Company-provided indemnification through corporate articles and by-laws, corporate statutes, indemnity agreements and, when available on reasonable terms, directors' and officers' liability insurance.

### 3. **Director Qualification Standards**

(a) **Independence.** The Board will ensure it has at all times at least the minimum number of the members of the Board who meet applicable standards of director independence. For members of the Audit Committee, director independence is to be determined in accordance with those legal and stock exchange independence standards applicable to the Company's Audit Committee. Those standards are appended to the Audit Committee Charter. For other purposes, the Board will, from time to time, establish independence standards that (i) comply with applicable legal and stock exchange requirements and (ii) are designed to ensure that the director does not have, directly or indirectly, a financial, legal or other relationship with the Company that would reasonably interfere with the exercise of independent judgment in carrying out the responsibilities of the director.

(b) **Size and Skills of Board.** The Board believes that a Board comprised of 4 to 6 members is an appropriate size given the Company's present circumstances. The Board also believes that a majority of the directors should be independent under the standards currently in effect. The Board will also consider the competencies and skills that the Board, as a whole, should possess and the competencies and skills of each director.

(c) **Other Directorships.** The Board does not believe that its members should be prohibited or discouraged from serving on boards of other organizations, and the Board does not propose any specific policies limiting such activities, providing they do not reduce a director's effectiveness or result in a continuing conflict of interest. However, the Board should take into account the nature of and time involved in a director's service on other boards in evaluating the suitability of individual directors and in making its recommendations.

(d) **Tenure.** The Board does not believe it should establish director term limits. Term limits could result in the loss of directors who have been able to develop, over a period of time, significant insight into the Company and its operations and an institutional memory that benefits the Board as well as management. As an alternative to term limits, the Board will review each director's continuation on the Board annually. This will allow each director the opportunity to confirm his or her desire to continue as a member of the Board and allow the Company to replace directors where the Board makes a determination in that regard.

(e) **Offices of Chairman and CEO.** The Board will select a Chairman of the Board in a manner and upon the criteria that the Board deems appropriate at the time of selection. (b) **Frequency and Length of Meetings.** The Chairman of the Board, in consultation with the members of the Board, will normally determine the frequency and length of Board meetings however, the ultimate power in this regard rests with the plenary Board. Special meetings may be called from time to time as required to address the needs of the Company's business.

(c) **Advance Distribution of Materials.** Information and data that are important to the Board's understanding of the business to be conducted at a Board or committee meeting will normally be distributed in writing to the directors reasonably before the meeting (with a goal of 48 hours) and directors should review these materials in advance of the meeting. The Board acknowledges that certain items to be discussed at a Board or committee meeting may be of a very time-sensitive nature and that the distribution of materials on these matters before the meeting may not be practicable.

#### 5. **Board Committees**

(a) **Key Committees.** The Board will at all times have an Audit Committee. Such committee will have a charter that has been approved by the Board. The charter currently in effect is appended hereto as Appendix 1. The Board may, from time to time, establish or maintain additional committees or subcommittees as it deems necessary.

(b) **Committee Charters.** The charters of the Audit Committee will set forth the purposes, goals and responsibilities of the committee. ## 6. **Director's Access to Management and Independent Advisors**

(a) **Access to Officers and Employees.** All directors have at all reasonable times and on reasonable notice, full and free access to officers and employees of the Company. Any meetings or contacts that a director wishes to initiate should normally be arranged through the CEO or the CFO. The directors will use their judgment to ensure that any such contact is not disruptive to the business operations of the Company. The directors are normally expected to provide a copy or otherwise inform the CEO of any communication between a director and an officer or employee of the Company.

(b) **Access to Independent Advisors.** The Board and each committee shall have the power to hire and consult with independent legal, financial or other advisors for the benefit of the Board or such committee, as they may deem necessary, without consulting or obtaining the approval of any officer of the Company. ## 7. **Director Compensation**

(a) **Role of Board.** The form and amount of director compensation will be approved by the Board in accordance with the general principles set forth herein.

(c) **Amount of Compensation.** The Company seeks to attract exceptional talent to its Board. Therefore, the Company's policy is to compensate directors competitively relative to comparable companies. The Company's management will, from time to time, present a report to the Board comparing the Company's director compensation with that of comparable companies. The Board believes that it is appropriate for the Chairman of the Board and the chairmen of the committees, if not members of management, to receive additional compensation for their additional duties in these positions. Directors who are also employees of the Company may receive additional compensation for Board or committee service if they are not already compensated at full industry rates in their capacities as employees.

The orientation programs will include presentations by management to familiarize new directors with the Company's projects, strategic plans, its significant financial, accounting and risk management issues, its compliance programs, its code of business conduct and ethics, its principal officers, its internal and independent auditors and its outside legal advisors. In addition, the orientation program will include a review of the Company's expectations of its directors in terms of time and effort, a review of the directors' fiduciary duties and visits to Company headquarters and, to the extent practical, certain of the Company's significant facilities.

(b) **Continuing Education.** To enable each director to better perform his or her duties and to recognize and deal appropriately with issues that arise, the Company will provide the directors with suggestions to undertake continuing director education, the cost of which will be borne by the Company.

#### 10. **Code of Ethics**

The Board of Directors intends to adopt and maintain a Code of Ethics which will apply to the employees, officers and directors of the Company. The Code of Ethics will be in accordance with the guidelines set forth in section 3.8 of National Policy 58-201 and other applicable laws and regulations.

#### 11. **Board Interaction with Shareholders, Institutional Investors, the Press, Customers, etc.**

The Board believes that the CEO and his or her designees should normally speak for the Company.
